

Veteran Mash

Veteran Mash has been formulated to provide optimum nutrition to horses and ponies who have reached the age and physiological stage in their lives where they will benefit from specialist feeding and a higher calorie intake to maintain optimum body condition.

Suitable for:

- Horse and ponies with compromised dentition
- Horses and ponies with respiratory disease
- Horses and ponies that are fussy feeders or have poor appetites
- Horses and ponies that require additional calories to help maintain body condition
- Horses and ponies that are still in regular work
- Providing a palatable base to administer medications or supplements

Features and Benefits:

- Quick and easy to soak to support those with compromised dentition or respiratory issues
- Encapsulated malted flavour together with Saracen Horse Feeds' Palatability Plus (P+) technology to support and encourage fussy feeders
- High fibre formulation supplemented with a live yeast
- High quality protein sources providing important essential amino acids
- A full spectrum of vitamins, minerals and antioxidants to help maintain a healthy immune system, as well as optimum skin, coat and hoof condition
