DONKEY DIET

TARGETED NUTRITION FOR DONKEYS

Low energy, high fibre cube specifically formulated to meet the needs of the donkey. Fully fortified to optimise body condition and health without providing excessive nutrients that can be detrimental to donkeys.

Donkey Diet is suitable for:

- The nutritional management of all donkeys
- Older donkeys
- Working or lactating donkeys
- Donkeys who are poor doers and require condition

Features & Benefits:

- Specifically, designed nutrition for donkeys
- Low energy feed
- High in digestible fibre providing a safe source of calories
- Can be soaked into a soft and palatable mash for donkeys with poor dentition
- Fortified with vitamins, minerals and trace elements
